THE STAR SPANGLED BANNER

Oh! say can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming.
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh! say does the star spangled banner yet wave
O'er the land of the free and the home of the brave?

AULD LANG SYNE

Should auld acquaintance be forgot,
And never brought to mind?
Should auld acquaintance be forgot,
And days of auld lang syne?

For auld lang syne, my dear,
For auld lang syne;
We'll take a cup o' kindness yet,
For auld lang syne.

AMERICA

My country, 'tis of thee,
Sweet land of liberty,
    Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain-side
    Let Freedom ring.

Our fathers' God, to Thee,
Author of liberty,
    To Thee we sing;
Long may our land be bright
With Freedom's holy light;
Protect us by Thy might,
    Great God, our King.

AMERICA

My country, 'tis of thee,
Sweet land of liberty,
    Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain-side
    Let Freedom ring.

Our fathers' God, to Thee,
Author of liberty,
    To Thee we sing;
Long may our land be bright
With Freedom's holy light;
Protect us by Thy might,
    Great God, our King.

AULD LANG SYNE

Should auld acquaintance be forgot,
    And never brought to mind?
Should auld acquaintance be forgot,
    And days of auld lang syne?

For auld lang syne, my dear,
For auld lang syne;
We'll take a cup o' kindness yet,
For auld lang syne.

AMERICA

My country, 'tis of thee,
Sweet land of liberty,
    Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain-side
    Let Freedom ring.

Our fathers' God, to Thee,
Author of liberty,
    To Thee we sing;
Long may our land be bright
With Freedom's holy light;
Protect us by Thy might,
    Great God, our King.

AULD LANG SYNE

Should auld acquaintance be forgot,
    And never brought to mind?
Should auld acquaintance be forgot,
    And days of auld lang syne?

For auld lang syne, my dear,
For auld lang syne;
We'll take a cup o' kindness yet,
For auld lang syne.

JUN 9 1947
UNIVERSITY OF ILLINOIS

AMERICA

My country, 'tis of thee,
Sweet land of liberty,
    Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain-side
    Let Freedom ring.

Our fathers' God, to Thee,
Author of liberty,
    To Thee we sing;
Long may our land be bright
With Freedom's holy light;
Protect us by Thy might,
    Great God, our King.

AULD LANG SYNE

Should auld acquaintance be forgot,
    And never brought to mind?
Should auld acquaintance be forgot,
    And days of auld lang syne?

For auld lang syne, my dear,
For auld lang syne;
We'll take a cup o' kindness yet,
For auld lang syne.

AMERICA

My country, 'tis of thee,
Sweet land of liberty,
    Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain-side
    Let Freedom ring.

Our fathers' God, to Thee,
Author of liberty,
    To Thee we sing;
Long may our land be bright
With Freedom's holy light;
Protect us by Thy might,
    Great God, our King.

AULD LANG SYNE

Should auld acquaintance be forgot,
    And never brought to mind?
Should auld acquaintance be forgot,
    And days of auld lang syne?

For auld lang syne, my dear,
For auld lang syne;
We'll take a cup o' kindness yet,
For auld lang syne.

UNIVERSITY OF ILLINOIS

AMERICA

My country, 'tis of thee,
Sweet land of liberty,
    Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain-side
    Let Freedom ring.

Our fathers' God, to Thee,
Author of liberty,
    To Thee we sing;
Long may our land be bright
With Freedom's holy light;
Protect us by Thy might,
    Great God, our King.

AULD LANG SYNE

Should auld acquaintance be forgot,
    And never brought to mind?
Should auld acquaintance be forgot,
    And days of auld lang syne?

For auld lang syne, my dear,
For auld lang syne;
We'll take a cup o' kindness yet,
For auld lang syne.

AUDITORIUM

Wednesday, August 11, 1948

7:00 p. m.

AMERICA

My country, 'tis of thee,
Sweet land of liberty,
    Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain-side
    Let Freedom ring.

Our fathers' God, to Thee,
Author of liberty,
    To Thee we sing;
Long may our land be bright
With Freedom's holy light;
Protect us by Thy might,
    Great God, our King.

AULD LANG SYNE

Should auld acquaintance be forgot,
    And never brought to mind?
Should auld acquaintance be forgot,
    And days of auld lang syne?

For auld lang syne, my dear,
For auld lang syne;
We'll take a cup o' kindness yet,
For auld lang syne.

JUN 22 1949
UNIVERSITY OF ILLINOIS

AMERICA

My country, 'tis of thee,
Sweet land of liberty,
    Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain-side
    Let Freedom ring.

Our fathers' God, to Thee,
Author of liberty,
    To Thee we sing;
Long may our land be bright
With Freedom's holy light;
Protect us by Thy might,
    Great God, our King.

AULD LANG SYNE

Should auld acquaintance be forgot,
    And never brought to mind?
Should auld acquaintance be forgot,
    And days of auld lang syne?

    For auld lang syne, my dear,
    For auld lang syne;
    We'll take a cup o' kindness yet,
    For auld lang syne.

AUG 30 1949
UNIVERSITY OF ILLINOIS

AMERICA

My country, 'tis of thee,
Sweet land of liberty,
    Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain-side
    Let Freedom ring.

Our fathers' God, to Thee,
Author of liberty,
    To Thee we sing;
Long may our land be bright
With Freedom's holy light;
Protect us by Thy might,
    Great God, our King.

AULD LANG SYNE

Should auld acquaintance be forgot,
    And never brought to mind?
Should auld acquaintance be forgot,
    And days of auld lang syne?

For auld land syne, my dear,
For auld lang syne;
We'll take a cup o' kindness yet,
For auld lang syne.

FEB 1 1950
UNIVERSITY OF ILLINOIS

AMERICA

My country, 'tis of thee,
Sweet land of liberty,
    Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain-side
    Let Freedom ring.

Our fathers' God, to Thee,
Author of liberty,
    To Thee we sing;
Long may our land be bright
With Freedom's holy light;
Protect us by Thy might,
    Great God, our King.

AULD LANG SYNE

Should auld acquaintance be forgot,
    And never brought to mind?
Should auld acquaintance be forgot,
    And days of auld lang syne?

    For auld lang syne, my dear,
    For auld lang syne;
    We'll take a cup o' kindness yet,
    For auld lang syne.

AMERICA

My country, 'tis of thee,
Sweet land of liberty,
    Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain-side
    Let Freedom ring.

Our fathers' God, to Thee,
Author of liberty,
    To Thee we sing;
Long may our land be bright
With Freedom's holy light;
Protect us by Thy might,
    Great God, our King.

AULD LANG SYNE

Should auld acquaintance be forgot,
And never brought to mind?
Should auld acquaintance be forgot,
And days of auld lang syne?

For auld lang syne, my dear,
For auld lang syne;
We'll take a cup o' kindness yet,
For auld lang syne.

University of Illinois

DEGREES CONFERRED

MONDAY, AUGUST 21, 1950

THE LIBRARY OF THE
OCT 18 1950
UNIVERSITY OF ILLINOIS

To the Graduating Class

SUMMER SESSION 1950

In the three graduating periods of 1950 — February, June, and August — the University has awarded a total of 6,979 degrees! This is the largest graduating group in the history of the University of Illinois — a group as big as the total student body of many colleges.

There is a dramatic impact to this size for the excellent reason that it has been reached without a lowering of standards. Many an "old grad," concerned about the way the University has grown, would have trouble with the problems and examinations you have mastered.

At the same time, no other students have had better character references! Many of you returned from war wounded, tired, worried about the sudden adjustment to academic life. As G.I.'s you were bracketed with "youth at the college" — and these two groups were uncertain of each other. Reassurance came fast. The G.I. contingent proved to be the most dependable and successful group on the campus. Age and maturity — not to mention the good influence of wives and children — offered the right balance to the exuberance of the typical undergraduate, and the non-veterans profited richly.

We are deeply moved by the departure of so many veterans. We salute you for that extra measure of devotion that has kept you here against all temptation to leave before finishing. The most exciting half century in world history lies before you. It will make heavy demands on your ability to think.

You must realize — all of you — that in graduating from the University of Illinois, you are becoming alumni for life. We will rejoice and be proud of your achievements. We will join in your sorrows and disappointments. We want you to participate in the affairs of your University, for alumni mean much to its future.

All this involves a dual responsibility. Here at the campus, we will do everything within our power to maintain your University as one of the great educational institutions of the world. We want you to be as proud of your University as it is of you. Wherever you go, whatever you do, remember that Illinois claims you as a son or daughter.

May you always remember your Alma Mater with sincere affection!

George D. Stoddard

AMERICA

My country, 'tis of thee,
Sweet land of liberty,
    Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain-side
    Let Freedom ring.

Our fathers' God, to Thee,
Author of liberty,
    To Thee we sing;
Long may our land be bright
With Freedom's holy light;
Protect us by Thy might,
    Great God, our King.

AULD LANG SYNE

Should auld acquaintance be forgot,
And never brought to mind?
Should auld acquaintance be forgot,
And days of auld lang syne?

For auld lang syne, my dear,
For auld lang syne;
We'll take a cup o' kindness yet,
For auld lang syne.

AMERICA

My country, 'tis of thee,
Sweet land of liberty,
    Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain-side
    Let Freedom ring.

Our fathers' God, to Thee,
Author of liberty,
    To Thee we sing;
Long may our land be bright
With Freedom's holy light;
Protect us by Thy might,
    Great God, our King.

AULD LANG SYNE

Should auld acquaintance be forgot,
And never brought to mind?
Should auld acquaintance be forgot,
And days of auld lang syne?

For auld lang syne, my dear,
For auld lang syne;
We'll take a cup o' kindness yet,
For auld lang syne.

To the Graduating Class

SUMMER SESSION 1951

In the three graduating periods of 1951 — February, June, and August — the University has awarded a total of 5,737 degrees! This is a group as big as the total student body of many colleges.

There is a dramatic impact to this size for the excellent reason that it has been reached without a lowering of standards. Many an "old grad," concerned about the way the University has grown, would have trouble with the problems and examinations you have mastered.

At the same time, no other students have had better character references! Many of you returned from war wounded, tired, worried about the sudden adjustment to academic life. As G.I.'s you were bracketed with "youth at the college" — and these two groups were uncertain of each other. Reassurance came fast. The G.I. contingent proved to be the most dependable and successful group on the campus. Age and maturity — not to mention the good influence of wives and children — offered the right balance to the exuberance of the typical undergraduate, and the non-veterans profited richly.

We are deeply moved by the departure of so many veterans. We salute you for that extra measure of devotion that has kept you here against all temptation to leave before finishing. The most exciting half century in world history lies before you. It will make heavy demands on your ability to think.

You must realize — all of you — that in graduating from the University of Illinois, you are becoming alumni for life. We will rejoice and be proud of your achievements. We will join in your sorrows and disappointments. We want you to participate in the affairs of your University, for alumni mean much to its future.

All this involves a dual responsibility. Here at the campus, we will do everything within our power to maintain your University as one of the great educational institutions of the world. We want you to be as proud of your University as it is of you. Wherever you go, whatever you do, remember that Illinois claims you as a son or daughter.

May you always remember your Alma Mater with sincere affection!

George D. Stoddard
